LOCAL LAKELAND PRODUCE

Our menu has been carefully selected to highlight the best that the Lakes and Buttermere has to offer.

We use the freshest of ingredients and source all our products locally, where possible, from our Herdwick Lamb in our HotPot to our Buttermere Ayrshire Ice Cream in all our Desserts (sourced fresh from Sykes Farm, Buttermere).

We strive to keep traditional Lakeland customs alive, from the use of Rum Butter that accompanies our Scones - *Rum Butter (also known as hard sauce) was integral to every christening feast when a bowl of Rum Butter was passed around the visitors. The new mother received a portion to hasten her recovery and it was even given to the baby to bestow good characteristics: butter for goodness, rum for spirit, sugar for sweetness and nutmeg for spice! Its head was also washed with rum - hence the saying "wetting the baby's head" to our own Buttermere Biscuit - a Recipe that has been handed down through the generations, from the infamous Reverend Walker's kitchens in 1735 to today.*

Our Chefs prepare all our dishes in house to order (we serve fresh food not fast food) and hope that you enjoy your dining experience with us today.
